ANNOUNCEMENT

Weston Consulting Group Inc. is extremely pleased to announce that **Mr. Jim Levac, MCIP, RPP** will be joining the firm in the position of "Senior Associate".

Mr. Levac will become part of the Weston Consulting team effective Monday, July 4th, 2011. Jim will manage a variety of planning and land development projects across the Greater Toronto Area with particular emphasis on Mississauga, Brampton and the City of Toronto.

Jim has spent the past 11 years as a senior planning consultant with Korsiak & Company, prior to which he was with the City of Mississauga and the Regional Municipality of Halton.

Jim has a large number of satisfied clients who look forward to working with him in his new position at Weston Consulting Group. As well, Jim's experience and background will provide an infusion of history, experience and ideas to Weston Consulting Group. Jim's addition to Weston Consulting has been described by one outside observer as "the perfect fit".

Weston Consulting Group Inc. has provided planning consulting services to the development sector across Ontario since 1981. Its current staffing levels of 24 persons continue to grow and evolve along with the industry, serving our growing client base from our established office locations in both Vaughan and Oakville.

Should you have any questions or comments about this announcement or about Weston Consulting Group Inc., please do not hesitate to contact our office at **905-738-8080** or through our toll free number at **1-800-363-3558**.

Thank you.
