## Weston Consulting Group Acquires Ghent Planning Services

---

**Weston Consulting Group Inc.** is pleased to announce the expansion of services in the Oakville, Halton and GTA West markets through the purchase of **Ghent Planning Services**. We are excited to provide an expanded range of services and expertise to our current clients and the clients of Ghent Planning Services.

**John Ghent** will be joining WCGI as a Senior Associate with the firm. John brings specialized knowledge and experience to WCGI both as a private planning consultant and as a former Manager of Current Planning for the Town of Oakville. His insight and knowledge of the Oakville and Halton area has been recognized by his clients and is a valuable addition to our firm.

Ghent Planning Services clients will receive the high level of service our clients have come to expect. Not only will they still have access to John's unique skills, this will now be supported by a team of professional planners and design personnel ensuring continuity and the opportunity to leverage the experience and services provided by WCGI.

Effective May 1<sup>st</sup>, 2010, all business and land use planning services undertaken by Ghent Planning Services will continue under the Weston Consulting Group Inc. banner. John and Weston staff are working diligently to ensure the current high level of service is maintained for all clients.

Weston Consulting Group Inc. will be opening a western office located at 1660 North Service Road East, Suite 114 in Oakville to more effectively service land use planning projects located in the Oakville, Burlington, Halton Hills, Milton, Mississauga, Hamilton, and the Niagara area in the near future. We hope to see you at an upcoming Open House (details to follow).

We are very pleased to welcome John into the WCGI family and we look forward to working closely with John to serve our combined base of clients in the Town of Oakville as well as throughout Halton and points west.

Should you have any land use planning or development projects you would like to discuss, please give us a call and we will be glad to assist you.
